

## 7 Days Training Camps in ANTALYA During Winter from November to May

Antalya is a port city along the Mediterranean Coastline of Turkey. Antalya enjoys the sunshine for 300 days a year. The average day time temperature is between 10 and 24 degrees Celsius from November to May.

There are lots of cheap and direct flights from European cities to Antalya International Airport all around the year.

We plan and organize weekly or longer training camps in these periods every year.

Around Antalya, we have 12 maps within 15-

70 km. distances from city center.

Dear Friends,

When you are in Antalya you will enjoy the sunshine, and very detailed and technical terrains in very short distances from your hotel. We will be pleased to give you all the services in your training camps. Please contact us and we will take care of every single detail for you and your group. This will be a worry-free and fun training camp for every member of the group. See you soon.

# Orienteering Maps in ANTALYA

## 1) Manavgat

There are 2 big maps in Manavgat. One of the maps is hilly terrain with pine forest, and the other one is flat, easily-run, and technical terrain with beach pine forest. Manavgat is 70 km. east of Antalya.

## 2) Elsazi

There are 2 big maps in Elsazi (Isparta). This area offers a terrain from easy to run to hard-to-cross. Difference of height at one slope can be up to 70 m. Passability is from good to poor. In some places there is thorny undergrowth. Elsazi is 75 km. north of Antalya.

## 3) Kursunlu

It is a very detailed terrain with soft running ground. This area offers a terrain easy to hard-to-cross. Passability changes from good to the poor and especially impenetrable in distant sections of map. In some places there are thorny undergrowths. It is near to Kursunlu Waterfall. After running in the forest the waterfall is waiting for you. It is 25 km from Antalya.

#### 4) Gebiz

It is a very detailed and fantastic terrain. There is no vegetation on the ground like velvet. It is one of the best terrains for technical orienteering. It is 40 km from Antalya.

#### 5) Tonguclu

It is a soft and flat terrain without vegetation under pine forest.

It is 5 km before Gebiz map and 35 km. from Antalya.

#### 6) Antalya Ataturk Park

It is one of the sprint maps. The park is located on a cliff overlooking Antalya Gulf. The map is at the heart of Antalya.

#### 8) Duzlercami

This map is so flat and wonderful to run with compass. It is a part of Termessos national park and 25 km. northwest of Antalya.

### 9) Cakirlar

This map is A3 size at 1:10.000. There are lots of stones, boulders, and big hills. It is perfect for hilly training. This area offers a terrain easy to hard-to-cross. Difference of height at one slope can be up to 100m. Passability changes from good to the poor. This terrain is 25 km. west of Antalya.

### 10) Lara beach

This map is 1:5000. The terrain is covered beach pine forest. In some parts there are passable vegetations and difficult to run sand dunes. It is a very technical terrain with lots of similar features hard to follow. It is 10 km. from the city center of Antalya.
